The following is a follow-up to SIR # (b)(7)(E) on 6/5/06 (See Below), a meeting was held with Director (b) (6), (b) (7)(C) from the Departamento De Seguridad Publica and CBP Border Patrol to discuss the recent Mexican Police incursion that occurred on 06/02/2006 at approximately 6:00 p.m. The Meeting was held at the Nogales Border Patrol Station.

Director (b) (6), (b) (7)(C) opened the meeting with an apology and an explanation for the actions of the Mexican Police Officers. Director (b)(6)(b)(7)(C) explained that his officers were in hot pursuit of a suspect who was possibly involved in a sex crime. The Policia Municipal was informed that an unknown woman called and relayed that the suspect, identified as (b) (6), (b) (7)(C) had exposed himself to her and then propositioned her for sex.

Director (b) (6), (b) (7)(C) said that in the process of pursuing the suspect, the suspect crashed into four civilian vehicles, the Mexican Immigration yellow gates near the Mariposa Port of Entry, and then subsequently crashed through a chain-linked fence near the International Boundary Fence. Director (b)(6)(b)(7)(C) explained the Mexican Officers were fueled by the adrenaline rush of the moment and did not realize they were in the United States. Director (b) (6), (b) (7)(C) stated that he and his officers were working hard to "clean up" the image of his agency within Nogales, Sonora, Mexico.

The Border Violence Action Plan that was signed by both countries was reiterated to Director (b) (6), (b) (7)(C) and a copy was also furnished. It was explained to Director (b) (6), (b) (7)(C) that when there are incidents involving Border Violence there is a set protocol to follow so that all agencies that can assist are notified in a prompt and timely manner. Director (b)(6)(b)(7)(C) understood the plan and assured us that in the future the plan would be followed closely.

PAIC (b) (6), (b) (7)(C) explained to Director (b)(6)(b)(7)(C) that we needed to work closely with each other in a more effective manner to protect our borders not only on the American side but also on the Mexican side. Everyone agreed that open communication was a key ingredient for the success of such a partnership.

On 6/2/2006 at approximately 6:00 p.m., Agent (b)(6)(b)(7)(C) encountered Mexican Police officers (b)(7)(E) west of the Mariposa Port of Entry. Synopsis: (cont.):
31. Juarez Police Incursion
On 4/14/2008, at approximately 0120 hours, two agents assigned to the El Paso Border Patrol Station were on the levee road at the (b)(7)(E). One agent who was facing west observed two subjects with flashlights approximately (b)(7)(E) from the Rio Grande River on the north river bank, just east of the (b)(7)(E). The subjects were approximately (b)(7)(E) from the agent's location. The (b)(7)(E) is approximately (b)(7)(E) west of the PDN/POE (GPS (b)(7)(E) (b)(7)(E) in the El Paso Stations AOR. As both agents drove onto the river vega, on the east side of the (b)(7)(E) to investigate who the two subjects were, they observed the two subjects with the flashlights walk south and drop into the north river bank. Agents exited their vehicle and observed a third subject that was bald, with no shirt on, running north on the river vega. Agents attempted to apprehend the subject but the subject ran west and jumped into the (b)(7)(E) to avoid being apprehended by agents and returned south into Mexico.
As the agents were searching the north river bank for any more subjects, one of the agents noticed two Juarez Municipal Police Officers on the north river bank of the Rio Grande River approximately (b)(7)(E) (b)(7)(E) east of their location striking a male subject and dragging the male subject across the Rio Grande River into Mexico while beating him. From this vantage point, the agent could clearly identify them as Juarez Municipal Police Officers because of the uniform and jackets that displayed "POLICIA" on the back. The agents lost visual of the Juarez Police Officers and the subject in heavy brush. A Supervisor from the El Paso Station responded to the area and made contact with four Juarez Municipal Police Officers which had just arrived and were searching in the brush on the Mexican riverbank. One of the Juarez Police Officers advised the SBPA that they were looking for a bald male without a shirt that was possibly armed. Juarez Police Units (b)(6)(b)(7)(C) and (b)(5)(b)(7)(C) were observed in an alley on the south levee road. There may be partial video on camera (b)(7)(E). The agents never observed any weapons on the bald subject.

C4 and CISEN were immediately notified. C4 operator (b) (6), (b) (7)(C) provided report

SIR: Possible Incursion:

On October 14, 2008, at approx. 3:35 pm, a report of a possible Mexican military incursion was observed by a Douglas Border Patrol Station (b)(7)(E) camera Operator.

A lone subject was observed walking east on the International Boundary Road, north of (b)(7)(E) approximately (b)(7)(E) east of the Douglas Port of Entry.

The lone subject appeared to be wearing light colored fatigues and possibly carrying a long arm or backpack. (b)(7)(E) it was difficult to determine the exact type/style of uniform and/or weapon if any.

The male subject walked east along the International Boundary Fence for approximately 10 to 15 yards then crossed the Permanent Vehicle Barrier Fence south back into Mexico and was not observed again.

Agents assigned in the area did not report any Mexican Military sightings and/or vehicles in the area throughout the shift. No other illegal activity was reported by agents assigned to this area. There were no fence contractors assigned to this area. The International Liaison Unit contacted (b)(6), (b)(7)(C) (b)(6)(b)(7)(C) of CISEN and they could not confirm any Mexican Military in that area.

APAIC (b)(6), (b)(7)(C) reviewed the video and it is unconfirmed that a military incursion occurred.

Headgates (Seam between (b)(7)(E) Camera control (b)(7)(E) observed a brown van on the Mexican side of the river with what appeared to be a human body hanging out of the driver side window. The camera control operator immediately notified a supervisor of his observations. The control room operator then noticed at least one Mexican Police Officer on the north river bank of the Rio Grande just west of the Headgates area between Border Markers (b)(7)(E) GPS coordinates (b)(7)(E). The camera control operator could see that the Police Officer had his gun drawn and Border Patrol agents responding to the area were informed of the fact and advised to use caution. (b)(7)(E)

The agent that initially reported the gun shots was the first to respond to the area and noticed that Juarez Police had blocked off all streets on the Mexican side. The agent also confirmed that two Juarez Police Officers with flashlights, and at least one of whom had his gun drawn, were searching the area and that both Officers had crossed the river north into the United States approximately (b)(7)(E) north of the river bank. The agent reported the incursion and while waiting for additional Border Patrol Backup, yelled at the Juarez Police Officers and advised them that they had entered into the United States illegally. The police officers acknowledged and returned south before the Border Patrol back up arrived.

The total number of Juarez Police officers that entered the United States was two.

There were no injuries and no indication that shots were fired into the United States.

Video footage of the Mexican police incursion is available on camera (b)(7)(E)

Synopsis: (cont.):

On today's date, at approximately 6:16 PM PST, two armed uniformed Mexican police officials (unknown agency) were observed operating motorcycles (dirt bikes) within the United States near the international border approximately (b)(7)(E) of the Calexico Port of Entry in Calexico, California.

At 6:16 PM, (b)(7)(E) (b)(6)(b)(7)(C) first observed a Mexican police official driving a dirt bike (b)(7)(E) west of the (b)(7)(E) south of the (b)(7)(E) Canal. (b)(6)(b)(7)(C) maintained a visual of the Mexican officer as he drove south and re-entered Mexico before disappearing in a thick stand of brush around 6:19 PM.

At 6:25 PM, Border Patrol Agent (b)(6), (b)(7)(C) responding to the immediate area of the incursion by way of the north canal bank reported two individuals on dirt bikes now on the southern canal bank of the (b)(7)(E) (b)(7)(E) Canal traveling west towards the (b)(7)(E) (b)(6)(b)(7)(C) responded to BPA (b)(6), (b)(7)(C) report (b)(7)(E) visually confirmed that the two individuals were Mexican police officials, one of which was believed to be the official who disappeared from view moments earlier.

It is believed that the first Mexican official sighted joined the second out of the line of sight of the camera and re-entered the United States together farther to the west of the original described position.

Upon arriving at the (b)(7)(E) the Mexican officials stopped and dismounted their dirt bikes and spoke to a group of 4 people engaged in fishing (two adult females and two juveniles -as best determined from video footage) before continuing south and entering Mexico at approximately 6:27 PM. The aforementioned group is currently of unknown identity and alienage as they collectively entered Mexico shortly thereafter, before CBP Border Patrol Agents could perform an immigration interview and inspection.

BPA (b)(6), (b)(7)(C) and Supervisory Border Patrol Agent (b)(6), (b)(7)(C) located the entry (b)(7)(E) (b)(7)(E) and exit (b)(7)(E) points regarding the Mexican officials' incursion but were unable to make direct contact with either the two officials or the any of the family members previously

TIME OF INCIDENT: 7:40 PM	Andrade, California	(b)(7)(E)

Synopsis: (cont.):

On November 23, 2006, Border Patrol agents assigned to the Yuma, Arizona Station reported an incursion into the United States by Mexican law enforcement officials approximately (b)(7)(E) west of the Andrade, California Port of Entry.

At approximately 5:40 PM (Mountain Standard Time), Yuma Sector Special Response Team agents, conducting operations near the Imperial Sand Dunes, witnessed a caravan of vehicles led by a marked Los Algodones, Baja California, Mexico Police Department (LAPD) pick-up truck (vehicle # (b)(6), (b)(7)(C)) approach the international boundary and stop near a garbage dump on the Mexican side of the border. At that time, all of the occupants exited their vehicles and gathered together in a group. After a brief meeting, all of the vehicles, with the exception of a black Jeep Cherokee, followed the marked LAPD unit northward across the international boundary. Agents reported that the Cherokee contained a large number of people, (b)(7)(E)

(b)(7)(E)

At approximately 5:45 PM, the Yuma Station Duty Supervisor contacted Mexican officials via the C-4 radio to report the incursion. The Los Algodones, Baja California Police Department was also contacted directly via telephone and informed of the incursion. Officer (b)(6), (b)(7)(C) of the Los Algodones Police Department verified that vehicle (b)(6), (b)(7)(C) did in fact belong to his department. He stated that he would contact his officers and advise them that they were in the United States.

At approximately 5:50 PM, the Jeep Cherokee drove into the United States, following the tire tracks left by the rest of the caravan. The vehicles proceeded approximately (b)(7)(E) north of the international border, then turned westbound toward the sand dunes. Agents lost visual contact of the vehicles after they entered the dunes.

At approximately 6:00 PM, agents reported that they observed the caravan, including the Jeep Cherokee, return to Mexico after a California National Guard OH-58 helicopter flew over the area. Border Patrol agents (b)(7)(E) verified that no personnel or contraband were left inside the United States, and that all vehicles had returned to Mexico.

Synopsis: (cont.):	
On November 23, 2006, two Bureau of Land Management Law Enforcement Rangers were patrolling the	
U.S./Mexico international boundary near monument marker number	(b)(7)(E)

(b)(7)(E)

At approximately 2038 hours, the BLM Rangers spotted two ATVs operating within the boundaries of the United States, near the aforementioned location. The two ATVs were operating without taillights, which is in violation of law. The BLM Rangers, who were both operating marked BLM patrol vehicles, attempted to stop the ATVs for this violation. The two subjects on the ATVs refused to stop, which resulted in a failure to yield situation. The BLM Rangers followed the two ATVs until they witnessed both cross the international border into Mexico near Monument (b)(7)(E)

The Rangers observed the ATVs as they paralleled the border in Mexico. The BLM Rangers also paralleled the border, staying in the United States, following the ATVs. The ATVs came to a stop, still in the vicinity of Monument (b)(7)(E) right on the border. The BLM Rangers approached, staying within the United States, and attempted to

question the two subjects. The subjects claimed to belong to a Mexican Police agency. The two subjects were not wearing any uniform or badges, which might have identified them as police, nor did the ATVs appear to have any markings indicating police patrol vehicles.

The two subjects did raise their shirts and displayed firearms, which were tucked or holstered in their waistbands. This action caused the BLM Rangers to draw their own weapons as a precautionary measure. During this encounter one or two black SUVs arrived on scene, as did several more ATVs. These additional vehicles all approached from within Mexico, and were carrying a total of approximately 8-10 more subjects. The group claimed to be (b)(7)(E) (b)(7)(E) although none were in uniform, nor were they displaying any types of badges, credentials or other identifying article of clothing. None of the vehicles were marked with any type of identifiable law enforcement markings.

ADDENDUM:

On November 28, 2006, I was performing assigned duties as the (b)(7)(E) Supervisor in the Imperial Beach Station Area of Responsibility (AOR) on the 8:00 a.m. to 4:00 p.m. shift. At approximately 12:43 p.m., I was conversing with Border Patrol Agent (b)(6), (b)(7)(C) at (b)(7)(E) when I observed a potential undocumented alien wearing an orange shirt jump over the International Border Fence into the United States by the (b)(7)(E). I informed Agent (b)(6), (b)(7)(C) of the subject and as I drove westbound on the Border Road, I observed two additional potential undocumented aliens also jump the International Border Fence into the United States. The two subjects were running eastbound towards my vehicle.

I transmitted the information via radio and proceeded to drive towards the two subjects running eastbound. I exited my vehicle and observed four Tijuana Police Department Officers in uniform carrying side arms and long weapons slung to their backs, run up to the two subjects and take them down to the ground. The officers were approximately (b)(7)(E) north of the International Border Fence when they apprehended the subjects.

I approached one of the officers and inquired as to the two subjects. An officer stated that the subjects had just shot "one of their cops". I informed the officer that he was in the United States without authority and that I needed to take possession of both subjects. He again stated that the subjects were wanted for murdering one of their cops. The officer refused to relinquish possession of both subjects and escorted them back towards the fence. A number of uniformed officers standing south of the fence assisted in pulling the subjects back over to Mexico.

Due to officer safety concerns, I transmitted to other agents the information provided by the Tijuana Police Officer. National Guardsman, (b)(6), (b)(7)(C) who (b)(7)(E) from the (b)(7)(E) position informed all Agents that the subject in question was hiding in the culvert located east of (b)(7)(E). (b)(7)(E) He further stated that Tijuana Police Officers were also north of the fence heading towards the culvert.

Upon my arrival, I noticed three additional Tijuana Police Department Officers, also clad in uniform carrying side weapons and long arms slung to their backs, dragging a cuffed subject out of the culvert. I stopped the officers and informed them that they had no authority to be in the United States. I also told them that I needed to take possession of the subject. They refused to speak with me and continued to walk back south towards the fence. When they reached the fence, other uniformed officers assisted the subject over the fence back to Mexico.

I requested to speak with their commander. They pointed to an officer, who they referred to as (b) (6), (b) (7)(C) standing on a rail located north of the International Border fence. The man named (b) (6), (b) (7)(C) refused to speak with me and ordered all his men to get back south. After they had all returned back to Mexico, I again asked to speak with a commander. A man walked up to the southern side of the fence and identified himself as (b) (6), (b) (7)(C) commander for the Tijuana Police Department.

(b)(6)(b)(7)(C) informed me that one of the three men in custody had shot a citizen earlier that day. I informed (b)(6)(b)(7)(C) that I had been told by the arresting officers that a "cop" had been shot. I further informed (b)(6)(b)(7)(C) that seven of his officers had entered the United States by jumping the International Border Fence to make the apprehensions. (b) (6), (b) (7)(C) claimed that he had just arrived at the scene and had no knowledge of any of his officers being in the United States. He then informed me that he had been in contact via telephone with Supervisory Border Patrol Agent (SBPA) (b) (6), (b) (7)(C) of the San Diego Sector Mexico Liaison Unit (b)(7)(E) (b) (6), (b) (7)(C).

DATE OF INCIDENT: 1/27/2009	LOCATION OF INCIDENT:	SIR NUMBER:
TIME OF INCIDENT: 6:45 PM	Mexicali, Mexico	(b)(7)(E)

Synopsis: (cont.):

On today's date (1/27/09) at approximately 6:45 p.m., while assigned supervisory station duties at the Calexico Station, I received a phone call from BPA (b) (6), (b) (7)(C) and was apprised of the following situation:

Agent (b) (6), (b) (7)(C) while in an off-duty capacity, drove his privately owned vehicle from the United States into Mexicali, Mexico, Baja California, via the Calexico East Port of Entry. After entering into Mexico, Agent (b) (6), (b) (7)(C) was referred to Mexican Customs for an initial inspection. During interviewing, the Customs Inspector noticed a Border Patrol uniform on the seat of Agent (b) (6), (b) (7)(C) vehicle and asked if he was in fact an agent. When Agent (b) (6), (b) (7)(C) confirmed his employment, the official asked if he had his gun with him. It was at this time that Agent (b) (6), (b) (7)(C) realized that he had in his possession his Service issued firearm, (b)(7)(E) a set of hand cuffs, (b)(7)(E) (b)(7)(E) along with a Service-issued gun belt and holders/holster for the previously listed items. Once Mexican Customs was made aware of this, Agent (b) (6), (b) (7)(C) along with his vehicle (Ford F-150 Crew Cab pickup/CA/(b)(6)(b)(7)(C)) and Service issued items were taken into custody and detained.

Agent (b) (6), (b) (7)(C) was given the opportunity to make phone calls to rectify the situation and he promptly called the station and it was at this time that we spoke. Agent (b) (6), (b) (7)(C) explained that he had forgotten that the firearm and miscellaneous items were in his possession. He had packed these items in his truck anticipating a work-related detail that was to commence in the morning (Riverside detail). He also stated that as long as a Supervisory Border Patrol Agent or above responded to the scene to verify employment, that the Mexican Customs Officials would release Agent (b) (6), (b) (7)(C) along with all belongings to the custody of the Border Patrol. After making all necessary notifications, it was decided that El Centro Sector Mexican Liaison Unit would be tasked with Agent (b) (6), (b) (7)(C) retrieval.

SBPA (b) (6), (b) (7)(C) was contacted, briefed on the situation and stated that he would be

leaving his residence in Calexico immediately to make contact with the Mexican Customs Watch Commander. At 7:45 p.m., SBPA (b)(6)(b)(7)(C) called to say that, after speaking with Mexican

Customs Watch Commander (b)(6)(b)(7)(C) Agent (b)(6)(b)(7)(C) was now in his custody. SBPA (b)(6), (b)(7)(C) explained that their arrival to the station would be delayed due to the fact that they would be forced to wait in line so that they could be inspected by U.S. Customs upon their return. I asked that SBPA (b)(6), (b)(7)(C) direct BPA (b)(6), (b)(7)(C) to the Calexico Station so that he could document the occurrence in a G-2 memorandum.

At 9:05 p.m., both Agents (b)(6)(b)(7)(C) and (b)(6)(b)(7)(C) arrived at the Calexico Station. Agent (b)(6), (b)(7)(C) explained that during initial questioning at the Calexico East Port of Entry primary inspection area, they were referred to Customs Secondary after declaring Agent (b)(6), (b)(7)(C) firearm. After the inspection of the firearm by Acting Watch Commander (b)(6)(b)(7)(C) they were free to proceed to the Calexico Station.

BPA (b)(6), (b)(7)(C) will be allowed to keep his gun and all other Service-issued equipment until he reports for duty at 8:00 a.m. tomorrow (Wednesday, 1/28) and speaks with his First Line supervisor.

SIR (b)(7)(E)
(This update was provided by the International Liason Unit)
ILU spoke with CISEN officials in Ciudad Juarez and informed them of last night's incursion by a Mexican soldier at the BODA POE. CISEN Sub Delegado (b)(6)(b)(7)(C) contacted Mexican military officials in Ciudad Juarez to inform them of the incident and to inquire as to a possible reason for the soldier's actions. Mexican Military Colonel (b)(6)(b)(7)(C) stated that the soldier involved in the incursion was recently deployed to Ciudad Juarez in support of (b)(7)(E) and was unfamiliar with the area, including the exact location of the international boundary that separates the U.S. and Mexico. The soldier believed that the international boundary was located at the CBP/OFO inspection booths.
ILU has contacted the Mexican Consulate office in El Paso and stressed the importance of providing additional "International Boundary orientation" presentations to Mexican Military and Federal Police officials deployed to Ciudad Juarez. The presentation was developed by ILU to familiarize Mexican authorities with the exact location of the international boundary.
The El Paso Sector Border Intelligence Center made the proper electronic notifications regarding this update on July 1, 2009.

Synopsis: (cont.):
On December 7, 2009, at approximately 0215 hours, Yuma Sector Air and Marine Pilot (b)(6)(b)(7)(C) observed two vehicles that had made an incursion into the United States near (b)(7)(E) Street and the (b)(7)(E). Both vehicles appeared to be stuck. The first vehicle was a white GMC Yukon. The second was an orange and white truck equipped with red and blue overhead emergency lights and bore the insignia "Policia Estatal Investigadora." Several minutes later (b)(6)(b)(7)(C) saw a white Jeep, a white Ford truck, and one other unidentified vehicle approach the stuck vehicles. It appeared that all of the vehicles were attempting to free the two stuck vehicles.
At 0220 hours, Supervisory Border Patrol Agent (SBPA) (b)(6), (b)(7)(C) with the Yuma Sector International Liaison Unit (ILU) was contacted in regards to the incursion. It was requested that SBPA (b)(6)(b)(7)(C) attempt to verify if any of vehicles that had entered the United States belong to Mexican state, local, or government law enforcement. SBPA (b)(6), (b)(7)(C) said that he would contact the Yuma Station Duty Desk if and when he was able to obtain information.
Shortly after (b)(7)(E) reported the vehicles in the river bottom, SBPA (b)(6)(b)(7)(C) and other agents approached the area to obtain a visual and attempted to assess the situation. The Yuma Station duty desk advised SBPA (b)(6)(b)(7)(C) and other agents to refrain from entering the incursion area until the ILU provided additional information. At that time Field Operations Supervisors (b)(6)(b)(7)(C) and (b)(6)(b)(7)(C) were also en route to assess the situation.
At 0254 hours, SBPA (b)(6)(b)(7)(C) reported hearing "Shots Fired" in the area from an unknown assailant and unknown direction. Shots were NOT fired from BP personnel and at that point it was not known if any of the shots were directed towards the agents in the area. The agents immediately retreated to the east, away from the area and while doing so heard several volleys of shots being fired from what sounded like semi automatic pistols and one automatic rifle. The agents estimated that approximately

30-40 total shots were fired.

At 0257 hours, SBPA (b)(6)(b)(7)(C) reported that all BP Personnel were accounted for and unharmed.

At 0300 hours, (b)(6)(b)(7)(C) observed three vehicles (unknown descriptions) traveling south towards Mexico from the spot where the vehicles were stuck in the river bottom at a high rate of speed. Two of the vehicles returned north towards the area and one vehicle remained approximately (b)(7)(E) miles south. (b)(6)(b)(7)(C)

(b)(6)(b)(7)(C) then saw a vehicle to the west of the incursion traveling south without headlights as the shots were fired. (b)(6)(b)(7)(C) believed that the shots possibly came from that vehicle. The vehicle that (b)(6)(b)(7)(C) spotted driving lights out was previously unseen and it is unknown where that vehicle came from.

At 0305 hours, Acting Assistant Patrol Agent in Charge (b)(6), (b)(7)(C) was notified of the incursion.

At 0310 hours, SBPA (b)(6), (b)(7)(C) stated that San Luis, Rio Colorado, Baja California, Mexico Police sent units to the area and will provide updates if possible. The Policia Estatal Investigadora Commander did not answer calls from SBPA (b)(6), (b)(7)(C) at that time. SBPA (b)(6)(b)(7)(C) also contacted Mexicali, Baja California, Mexico Police who have sent units to investigate.

At 0345 hours, SBPA (b)(6)(b)(7)(C) advised that the Policia Estatal Investigadora Commander contacted him and informed him that the marked truck and the white Yukon that were stuck near the river bottom are Mexican police vehicles. The commander advised that he will provide updates as soon as possible.

At 0410 hours, SBPA (b)(6)(b)(7)(C) received confirmation from the San Luis, Rio Colorado, Baja California, Mexico Police and the Policia Estatal Investigadora Commander that five of the vehicles, including the white Yukon, and the orange and white truck equipped with red and blue overhead emergency lights that were stuck in the river bottom were all San Luis, Mexico Police vehicles. SBPA (b)(6), (b)(7)(C) reported that all Mexican PD officers claimed not to have fired any shots and that they were in the area attempting to free the stuck vehicles. At that time Mexican Police Officials reported that they were unsure of why the vehicles had incurred into the United States but that they would continue to investigate.

At 0440 hours, SBPA (b)(6), (b)(7)(C) reports that all vehicles that had entered the United States were back in Mexico.
